**TREASURER DILIBERTI SEEKS HELP TO  
RETURN UNCLAIMED FUNDS TO PROPER OWNERS**

Milwaukee County Treasurer Dan Diliberti is asking for the assistance of Milwaukee County residents to help locate the owners of approximately \$3.3 million in 2011 Unclaimed Funds.

“The Treasurer’s Office has the job of returning unclaimed money to its rightful owners,” Diliberti explained at his office. “The \$3.3 million in unclaimed funds is a significant amount of money. It belongs to the people on our unclaimed funds listing and, I have no doubt, that in these difficult times they could put the money to good use.”

Diliberti said that, in spite of his budget limitations, his office is continuing to explore new ways to reach potential claimants with information about these unclaimed funds.

To find out about who is entitled to this unclaimed money, people can access information about the names and amounts on the County Treasurer's web site at [www.county.milwaukee.gov](http://www.county.milwaukee.gov). Enter "unclaimed funds" in the site search field and follow the instructions for viewing the list, downloading and filing a claim form.

In addition, this year, for the first time, a printed copy of the 2011 listing became available at the Ready Reference section of all public libraries in Milwaukee County on February 1<sup>st</sup>, as well as in the Treasurer's Office, Room 102 of the Courthouse, 901 N. 9<sup>th</sup> Street. Claim forms must be submitted to the Treasurer's Office.

"We are attempting to return this money to its rightful owners," said Treasurer Diliberti, "so we are making every effort to get the word out to the general public about these funds."

*(Note to Editor: A PDF copy of the unclaimed funds listing is included herein as an attachment in case you are interested in inserting it onto your website and adding a note to this article that the full listing is also available on your web site.)*
